Quotes and Realities

God's Word Above All

"And God spoke all these words: `I am the Lord your God... You shall have no other gods before me... ... You shall not bow down to them or worship them; for I, the LORD your God, am a jealous God....' Furious with rage, [king] Nebuchadnezzar summoned Shadrach, Meshach and Abednego.... and said to them... 'if you are ready to fall down and worship the image I made, very good. But if you do not worship it, you will be thrown immediately into a blazing furnace. Then what god will be able to rescue you from my hand?' Shadrach, Meshach and Abednego replied to the king, 'O Nebuchadnezzar, we do not need to defend ourselves before you in this matter. If we are thrown into the blazing furnace, the God we serve is able to save us from it... But even if he does not, we want you to know, O king, that we will not serve your gods or worship the image of gold you have set up.' "

- Exodus 20:1,5, Daniel 3:13,15-18 (NIV)

Samuel Adams

"Before the formation of this Constitution.... [t]his Declaration of Independence was received and ratified by all the States in the Union and has never been disannulled."

- Samuel Adams: signer of Declaration of Independence; member of Continental Congress; member of General Court of Massachusetts; formed Boston's Committee of Correspondence; helped draft the Articles of Confederation; signer of the Articles of Confederation; delegate to the Massachusetts constitutional convention; president of the Massachusetts senate; member of state convention to ratify the Federal Constitution; Lieutenant-Governor and Governor of Massachusetts.

Highlight

Have you ever read the Constitution and wondered “what were the Founders intentions behind this or that phrase?” The [US Constitution](#) in the *Resources* section contains online references to the Federalist Papers – an early work by three founding fathers on the intention of each section of the US Constitution. But, if you are looking for something more lively, you could turn to the records of the continental congress link in the [Resources](#) section, under Congressional Records, or Elliot's or Farrand's records of the debates, or read about the intentions in the more personalized correspondence, writings and letters of the founders.

About

Are you wondering “what is
Biblical Christian Solutions in
Government (BCSIG)”?

In short we are very
similar to Founding
Father Alexander
Hamilton's *Christian
Constitutional Society*.

Hamilton formed the society to
elect people to office who would
support the Christian religion, and
the US Constitution.

In a similar way our ultimate
vision is to advocate for, defend,
and advance Biblical ideological
values in law, public policy, and
culture. We seek to do this through
education, lobbying, and as a
secondary purpose (and as a
primary purpose of a future
sponsored sister organization)
through identifying candidates

who:

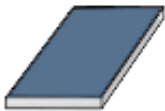

follow Jesus and have a Biblical
Christian worldview;

support, with integrity, the
Declaration of Independence and
the US Constitution; and

understand, will apply, and
support God's law, word, and
purpose as the rightful foundation
for the content of all law,
government, justice, and liberty.
