Quotes and Realities

In God We Trust

"My slanderers pursue me all day long; many are attacking me in their pride. When I am afraid, I will trust in you [God]. In God, whose word I praise, in God I trust; I will not be afraid. What can mortal man do to me?... For you have delivered me from death and my feet from stumbling [for those who follow you], that I may walk before God in the light of life."

- Psalm 56:2-4, 13 (NIV)

Judicial Abuse - It doesn't really affect liberty or does it?

"The court will allow that prayer to be a typical nondenominational prayer, which can refer to God or the Almighty.... The prayer must not refer to... Jesus.... And make no mistake, the Court is going to have a United States marshal in attendance at the graduation. If any student offends this court, that student will be summarily arrested and will face up to six months incarceration.... Anybody who violates these orders... is going to wish that he or she had died as a child when this court gets through with it."

Quoted from: Wallbuilders Spring 2007 newsletter. Doe v. Santa Fe Indep. Sch. Dist, Civil Action No. G-95-176 (S.D. Tex. 1995) (court transcription of verbal ruling by federal judge Samuel Kent, pp. 3-4)

Highlight

Have you ever read the Constitution and wondered “what were the Founders intentions behind this or that phrase?” The [US Constitution](#) in the *Resources* section contains online references to the Federalist Papers – an early work by three founding fathers on the intention of each section of the US Constitution. But, if you are looking for something more lively, you could turn to the records of the continental congress link in the [Resources](#) section, under Congressional Records, or Elliot's or Farrand's records of the debates, or read about the intentions in the more personalized correspondence, writings and letters of the founders.

About

Are you wondering “what is
Biblical Christian Solutions in
Government (BCSIG)”?

In short we are very
similar to Founding
Father Alexander
Hamilton's *Christian
Constitutional Society*.

Hamilton formed the society to
elect people to office who would
support the Christian religion, and
the US Constitution.

In a similar way our ultimate
vision is to advocate for, defend,
and advance Biblical ideological
values in law, public policy, and
culture. We seek to do this through
education, lobbying, and as a
secondary purpose (and as a
primary purpose of a future
sponsored sister organization)
through identifying candidates
who:

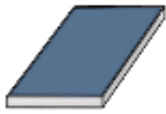

follow Jesus and have a Biblical
Christian worldview;

support, with integrity, the
Declaration of Independence and
the US Constitution; and

understand, will apply, and
support God's law, word, and
purpose as the rightful foundation
for the content of all law,
government, justice, and liberty.
