Quotes and Realities

God's Word Above All

"And God spoke all these words: `I am the Lord your God... You shall have no other gods before me... ... You shall not bow down to them or worship them; for I, the LORD your God, am a jealous God....' Furious with rage, [king] Nebuchadnezzar summoned Shadrach, Meshach and Abednego.... and said to them... 'if you are ready to fall down and worship the image I made, very good. But if you do not worship it, you will be thrown immediately into a blazing furnace. Then what god will be able to rescue you from my hand?' Shadrach, Meshach and Abednego replied to the king, 'O Nebuchadnezzar, we do not need to defend ourselves before you in this matter. If we are thrown into the blazing furnace, the God we serve is able to save us from it... But even if he does not, we want you to know, O king, that we will not serve your gods or worship the image of gold you have set up.' "

- Exodus 20:1,5, Daniel 3:13,15-18 (NIV)

Daniel Webster

"Our destruction, should it come at all, will be from another quarter. From the inattention of the people to the concerns of their government, from their carelessness and negligence."

- Daniel Webster: Attorney; U.S. Representative from New Hampshire, delegate to the Massachusetts constitutional convention, member of Massachusetts House, U.S. Representative from Massachusetts, U.S. Senator from Massachusetts, candidate for U.S. President, U.S. Secretary of State. He has been titled "The Defender of the Constitution".

Highlight

Have you ever read the Constitution and wondered “what were the Founders intentions behind this or that phrase?” The [US Constitution](#) in the *Resources* section contains online references to the Federalist Papers – an early work by three founding fathers on the intention of each section of the US Constitution. But, if you are looking for something more lively, you could turn to the records of the continental congress link in the [Resources](#) section, under Congressional Records, or Elliot's or Farrand's records of the debates, or read about the intentions in the more personalized correspondence, writings and letters of the founders.

About ?

Are you wondering “what is Biblical Christian Solutions in Government (BCSIG)”?

In short we are very similar to Founding Father Alexander Hamilton's *Christian Constitutional Society*.

Hamilton formed the society to elect people to office who would support the Christian religion, and the US Constitution.

In a similar way our ultimate vision is to advocate for, defend, and advance Biblical ideological values in law, public policy, and culture. We seek to do this through education, lobbying, and as a secondary purpose (and as a primary purpose of a future sponsored sister organization) through identifying candidates who:

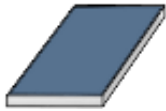

follow Jesus and have a Biblical Christian worldview;

support, with integrity, the Declaration of Independence and the US Constitution; and

understand, will apply, and support God's law, word, and purpose as the rightful foundation for the content of all law, government, justice, and liberty.
