Judicial Information

Electronic Judicial Information

Electronic Judicial Information

Wide variety of different Judicial and other legal resources. It appears that most, although not all, of the Judicial resources focus more on current judicial thought and opinion such as judicial relativism and judicial positivism (denies there is an absolute truth or law giver; the Judge determines what is lawful according to his own opinions), rather than original intent and appropriate boundaries of the judicial and other branches of Government.

U.S. Supreme Court Verbal Arguments
