

Biblical Christian Solutions In Government Gift Form

Thank You for your generosity in giving. We ask that you might consider praying to God about how you may be involved in this movement: through prayer, giving, advocacy, and/or some other way. This form provides a way for you to be a cheerful giver if that is how you determine before the Lord to be involved. While we seek to communicate our needs, we do not intend for the severity of any need to pressure you to give, or to give beyond what you have determine. We trust that Jesus, that God, will provide the finances needed through his people, and through other friends whom God moves, to bring God's word to bear on the public life, and policy, of America. We believe that when God moves a country to place their trust in him, including in public policy and government, he is able to use the people of that country to take a part in accomplishing his purposes in, and in blessing, the world. God made all things, and where his Word and Law do not prevail, liberty and justice do not exist.

This form is for those who wish to send their gift directly, without making a pledge, to the association of Biblical Christian Solutions In Government (BCSIG). This form is optional for those who wish to give a one time gift, and whose correct name and address are printed on the check remitted as a gift. We pledge to send you a receipt for your gift. A gift form will be attached to the receipt for those who wish to make further gifts or would like to give monthly.

If you check the box that you would like to give monthly gifts, we will send a self addressed, stamped, return envelope with your receipt (where finances permit).

Note: BCSIG does reserve the right to not receive, and/or return a gift if it deems the gift will not be in the best interest of advancing the association's mission, vision, Godly character, or goals. While rare, if it should happen, we look to do this communicating the utmost respect and and greatest thanks to the giver, always looking for ways to partner and be an encouragement.
