Pledge Form

Information

Thank You for considering giving. We ask you to consider praying to God about how you may be involved in this movement: through prayer, giving, advocacy, and/or some other way. This pledge form provides a way for you to be a cheerful giver if that is how you determine before the Lord to be involved. We use a pledge system based on a pledge amount between you and God - see the instructions below **(click on the light blue instructions title link)**.

While we seek to communicate our needs, we do not intend for the severity of any need to pressure a person to give, or to give beyond what they determine. We trust that Jesus, that God, will provide the finances needed through his people, and through other friends whom God moves, to bring God's word to bear on the public life, and policy, of America. We believe that when God moves a country to place their trust in him, including in public policy and government, he is able to use the people of that country to take a part in accomplishing his purposes in, and in blessing, the world. God made all things, and where his Word and Law do not prevail, liberty and justice do not exist.

	Pray and determine an amount that you would like to pledge.	Pray and determine an amount that you would like to give.
	How the pledge is fulfilled is between you and God (ie. a total pledge amount that you give toward monthly until the amount is fulfilled by faith, a total pledge amount you give as a one time gift, a decision to give monthly).	You also have the option to give monthly as well as a one time gift. The gift form is for those who want to send a gift directly without making a pledge or using the pledge form.

	We will send you an initial pledge reminder with a self-addressed, stamped, return envelope (where finances permit).	The instructions on addressing your check and your envelope are included in the Gift Form.

Note: BCSIG does reserve the right to not receive, and/or return a gift if it deems the gift will not be in the best interest of advancing the association's mission, vision, Godly character, or goals. While rare, if it should happen, we look to do this communicating the utmost respect and and greatest thanks to the giver, always looking for ways to partner and be an encouragement.
